## The Kaiser Permanente Child Health Plan (KPCHP) Open Enrollment in Southern California

Effective October 11, 2011, the Kaiser Permanente Child Health Plan (KPCHP) will temporarily reopen for enrollment in Los Angeles County, Orange County and San Diego County.

Depending on the family’s size and income, up to three children per family can receive health care coverage for \$8 or \$15 a month, per child. Additional children are covered at no extra premium. Comprehensive healthcare services include medical office visits, medical tests, vision services, mental health services, substance abuse services, health education, hospital services, and prescription drugs.

KPCHP covers documented and undocumented children (0-18) with a family income between 0 - 300% of the Federal Income Guidelines (FIG):

***Knowledge is power...***

This program covers children not eligible for Medi-Cal or Healthy Families. Since we do not know what date the program will close, we encourage all of you to immediately contact as many families as possible to help them to apply for this program. Please note that eligibility in this program will require clients to be seen through Kaiser Permanente for mental health services.

Important Notice: Kaiser Permanente is only accepting electronic applications submitted via One-e-App. No paper applications will be accepted. All paper applications will be returned to sender along with information about how to apply for membership via One-e-App.

Attached is the list of One-e-App active users in Southern California.

These are the available zip codes that are accepting applications in Los Angeles County.
